A Message from the Founder

The Ryan Lee Holland Cancer Foundation is continuing to grow its financial assistance program. We are busy planning fundraisers to help us with our mission throughout 2013. I would like to especially thank our volunteers who work tirelessly, from the patient selection committee to the ladies on the events committee. Currently we are planning the 2nd Annual Luncheon in Detroit, Michigan and the 2nd annual Evening of Elegance Gala in Alpharetta, Georgia. We would like everyone to begin planning for the first 5K Walk/Run set for September, 2013 in Atlanta, Georgia. We hope you will consider volunteering, sponsoring or participating in one of these events. With your support we will continue to grow our financial assistance program and help cancer patients in active treatment who are struggling to pay for their medical expenses.

Our **Mission** is to financially assist cancer patients in active treatment for their illness, with Medical Co-Pay, Office Visit Co-Pay, Prescription Co-Pay and Travel Expenses.

MARGO SMITH, M.D.

Dr. Margo Smith ended her battle with cancer peacefully on Tuesday, March 12, 2013 at her residence. She was employed as a Physician at the Washington Hospital Center for over 25 years in Infectious Disease. Doctor Smith's family has asked that memorial contributions be made to the Ryan Lee Holland Cancer Foundation.

It is with sympathy and deep gratitude that we accept donations in memory of Dr. Margo A. Smith. Her family's decision will make a difference in the lives of cancer patients and their caregivers. May it give them great comfort to know that others have honored Dr. Smith's memory by helping cancer patients in need of financial assistance.

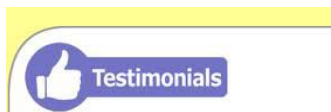

Patient Financial Assistance Program

The Financial Assistance Program is based on a referral from a medical professional such as a Doctor, Nurse, Social Worker or Hospital. Applicants requesting financial assistance must have a cancer diagnosis and are currently in active treatment for their illness. Our program is not limited by cancer diagnosis, age or location within the US. The Ryan Lee Holland Cancer Foundation, Inc. (RLH Foundation) collaborates with Georgia Cancer Specialists (GCS), a national leader in cancer treatment and research, and Karmanos Cancer Institute in Michigan as a means of assisting patients.

Our Vision

The Ryan Lee Holland Cancer Foundation's vision is to minimize the financial burden of all who are diagnosed with cancer so they can concentrate on what's important,

Patient Testimonials

I want to thank you so much for the check you sent to me at this very trying time. We are so grateful as we can use the check for fuel to go back and forth to the cancer center and for some over the counter meds. The picture of your son was a picture of a most handsome and educated young man. We are so sorry and it sure is a beautiful thing to keep his memory alive with your foundation. Thank you from my heart.

Wine Tasting Fundraiser

On Saturday, April 13, 2013 our volunteers hosted a fundraiser at Sip Wine & Tapas Restaurant located in Milton, Georgia. I am happy to say that we had a great time and enjoyed good company. A great BIG thank you to our wonderful volunteers and Sips for a great evening and a very successful event.
