A Message from the Founder

This issue of the Foundation News is being dedicated to Ryan Lee Holland who would have turned 26 on Thursday, December 15, 2011. Ryan wanted to give his testimony of fighting cancer by staying positive and trusting in God. He never complained or asked why. His faith was unshaken and his courage represents the true meaning of the human will and his spirit will live on through this foundation.

The Ryan Lee Holland Cancer Foundation is an organization founded on the inspiration and unconditional love for Ryan and his bravery and determination to battle this deadly disease. Our Board Members and volunteers come together to raise funds in support of cancer patients all over the United States. Our **Mission** is to financially assist cancer patients in active treatment for their illness, with Medical Co-Pay, Office Visit Co-Pay, Prescription Co-Pay and Travel Expenses. We began our Financial Assistance Program in August, 2011 to date we have assisted over 50 cancer patients.

We would like to thank all of our donors and sponsors for their donations. We are a 501(c) 3 Non-profit organization recognized by the Internal Revenue Service.

Our Vision

The Ryan Lee Holland Cancer Foundation's vision is to minimize the financial burden of all who are diagnosed with cancer so they can concentrate on what's important,

Happy 26th Birthday

In Loving Memory
Of
Ryan Lee Holland

Thank you for your
beautiful legacy. We
love you and miss you
dearly.

Patient Financial Assistance Program

The Financial Assistance Program is based on a referral from a medical professional such as a Doctor, Nurse, Social Worker or Hospital. Applicants requesting financial assistance must have a cancer diagnosis and are currently in active treatment for their illness. Our program is not limited by cancer diagnosis, age or location within the US. The Ryan Lee Holland Cancer Foundation, Inc. (RLH Foundation) collaborates with Georgia Cancer Specialists (GCS), a national leader in cancer treatment and research, as one means of assisting patients. GCS has 28 offices, and 44 physicians and more than 500 support staff members located in Metro Atlanta, North and Central Georgia.

Patient Testimonial

I just wanted to say how elated I was to receive a phone call from your foundation indicating that you had approved my application for medical co-pay assistance. I received a check from your foundation the day before my scheduled chemo treatment. Your assistance will help me to pay my co-pay for 4 visits. This is such a blessing. Only hearts that are God sent can be so compassionate to think of others in the way that you do, especially so soon after your own life changing experience. It's such a blessing to me because I am a disabled female on a fixed income with many other illnesses in addition to my cancer treatments, and lots of times during the month funds aren't enough to keep up with the medical visits.

I cannot say thank you enough for your heartfelt assistance! I pray for much success to your foundation in all present and future endeavors! After my healing, I hope that I will be able to donate to your foundation in support of others just as you have done.
