A Message from the Founder

The Ryan Lee Holland Cancer Foundation's financial assistance program was busy throughout 2012. We received an overwhelming number of applications from cancer patients throughout the United States. From California to Pennsylvania, Texas to Iowa, Georgia to Michigan. We have received referrals from the American Cancer Society, Livestrong, the Patient Advocate Foundation, Georgia Cancer Specialist, Karmanos Cancer Institute and other cancer hospitals and organizations around the country. We are so pleased that we were able to provide assistance to so many individuals in need.

We would like to thank everyone, from our volunteers to all of our donors and sponsors for their continued support. Your generosity is greatly appreciated and we look forward to great things in 2013.

Our **Mission** is to financially assist cancer patients in active treatment for their illness, with Medical Co-Pay, Office Visit Co-Pay, Prescription Co-Pay and Travel Expenses.

Happy 27th Birthday, Ryan

One of Ryan's favorite quotes:

"I know no great man or woman, only those striving to be.
We are measured by what we do, not by what we possess."

GREAT SENSE OF HUMOR. BECAUSE OF YOUR DESIRE TO HELP
OTHERS WE WILL CONTINUE TO BLESS OTHERS IN YOUR NAME.

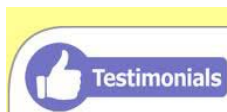

Patient Financial Assistance Program

The Financial Assistance Program is based on a referral from a medical professional such as a Doctor, Nurse, Social Worker or Hospital. Applicants requesting financial assistance must have a cancer diagnosis and are currently in active treatment for their illness. Our program is not limited by cancer diagnosis, age or location within the US. The Ryan Lee Holland Cancer Foundation, Inc. (RLH Foundation) collaborates with Georgia Cancer Specialists (GCS), a national leader in cancer treatment and research, and Karmanos Cancer Institute in Michigan as a means of assisting patients.

Our Vision

The Ryan Lee Holland Cancer Foundation's vision is to minimize the financial burden of all who are diagnosed with cancer so they can concentrate on what's important,

"Getting Better"

Patient Testimonials

I was diagnosed with testicular cancer this year and I lost the organ to surgery and ultimately had to go on disability and begin chemotherapy. The Ryan Lee Holland Cancer Foundation helped relieve me by paying off some of my outstanding doctor bills. Thank you for your support.

The Foundation was nominated by Wells Fargo Flynn Crossing branch to receive a community partner grant. We are happy to announce that we received the grant on October 30, 2012 at the Days of Giving breakfast. Thank you Mary Guardado, Service Manager and all of the employees at Wells Fargo Bank.
